## Challenge

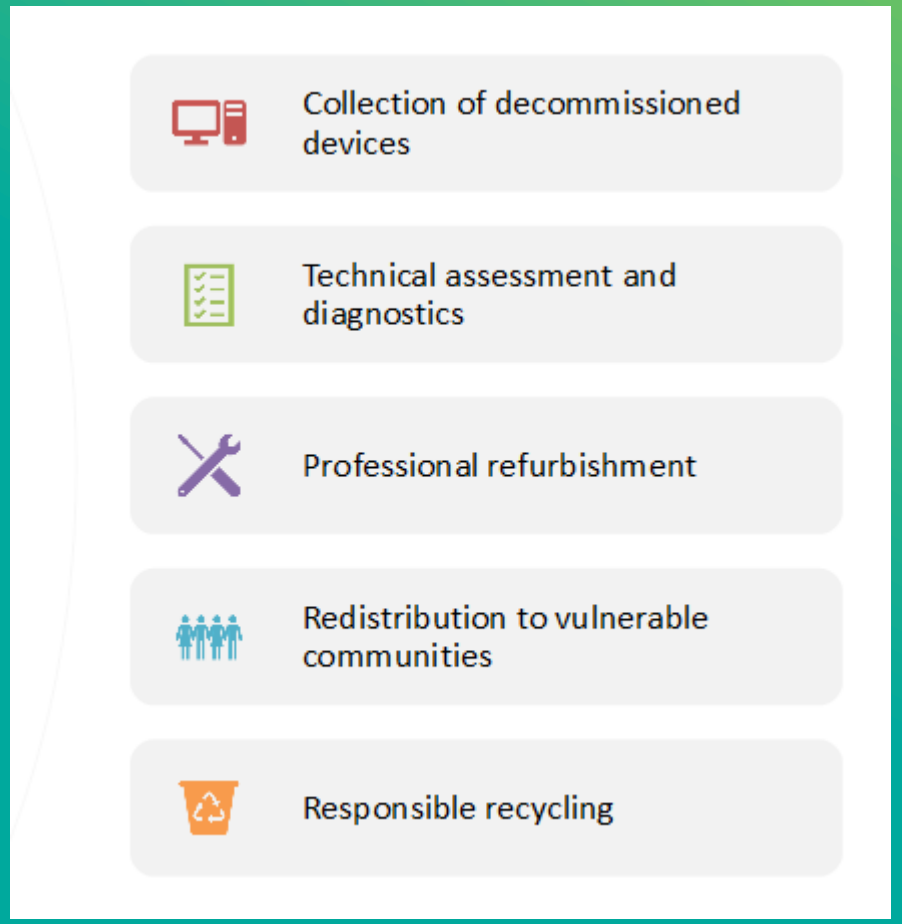

CIRCULOOS

Funded by the European Union

- Digital exclusion among vulnerable populations
- Millions of functional ICT devices discarded yearly
- New laptops cost €300–800
- E-waste creates major environmental impact

This project has received funding from the European Union's "Horizon Europe" programme under grant agreement 101092295

# The REQ Circular Solution

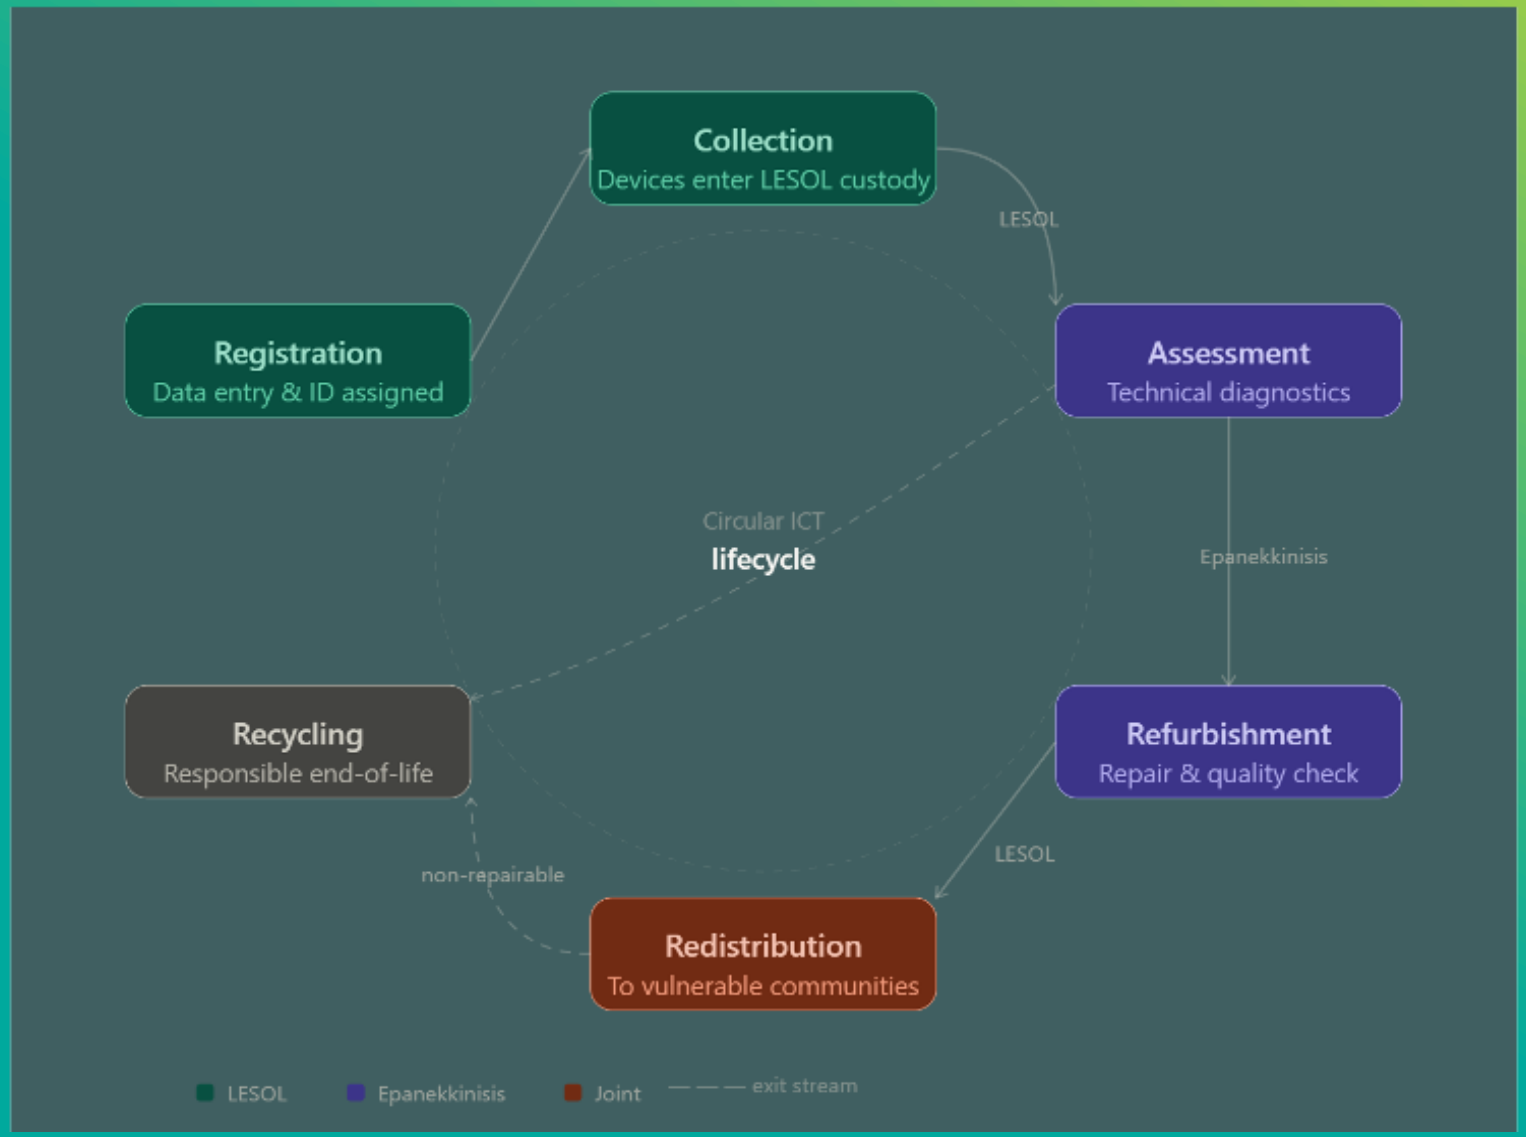

CIRCULOOS

Funded by the European Union

This project has received funding from the European Union's "Horizon Europe" programme under grant agreement 101092295

# Circular ICT Model

# Business Potential

- Expansion of refurbishment hubs
- Replication in other European regions
- Partnerships with municipalities and CSR donors
- Strengthening circular ICT ecosystems
